

Everyday Faith || Is Your Faith Alive?

Group Notes

INTRODUCTION

James says several times that wisdom is not about knowledge alone, but about how we apply it. Wisdom is revealed not just in our beliefs, but in how we behave. Real life change is about our real lives and application is everything. The devil believes, he just stays disobedient. To believe is to trust and to trust is to obey. James says, “show me”. Talk without action is dead.

PRAYER

Go around your group and ask for prayer requests. As a group, spend time praying over each other. Check your HEART. Is your faith alive? Are you putting your faith into action? Pray for the Holy Spirit to give you courage to step out in faith as you take a next step in living out your faith in obedience to what God is calling you to do.
