

Everyday Faith || Kingdom Culture**Group Notes****INTRODUCTION**

We have three big enemies that fight against us in our desire to follow Jesus. The three enemies are the Devil, the flesh and the world. The world includes all the things that are part of culture that are separate from the ways of God and culture is much more powerful than we realize. It shapes us far more than we think. It is important that we learn how to live out His Kingdom Culture in a fallen world.
