

## Let's Talk About It || Let's Talk About Leadership Week 4

### Group Notes

#### INTRODUCTION

Jesus taught that real leadership is not about power, but about service. In a world where power is often abused, Jesus teaches that the power we have been given is not there for abusing, but for using in service to others. What do you do when you are the most powerful person in the room? You serve.

#### CONVERSATION STARTERS

1. If you could have dinner with anyone, living or not, who would it be?
2. Which superhero would you consider the greatest leader? Why?

#### SERMON NOTES REVIEW

#### GROUP DISCUSSION

1. Who in your life has built you up and shown leadership through serving?
2. Read [Matthew 20:26-28](#). What does it mean to be a "servant leader"? How is this different from what we see from many "leaders" today? Who would you rather follow? Why?
3. It has been said that people might not remember what you say but they remember what you do. We see this in how Jesus models what real leadership is. How might this concept change how you love and lead others?
4. Read [John 13:1-5](#). How would you respond if Jesus were to wash your feet?
5. Read [John 13:6-12](#). Would you have washed Judas's feet? Why does Jesus?
6. Do you find it hard to serve people you view as undeserving? What are some excuses you make?
7. Read [John 13:13-17](#). In regard to serving, how does this passage focus on desire rather than duty?

## **PRAYER**

Go around your group and ask for prayer requests. As a group, spend time praying over each other. Pray that God would meet us where we are to be servant leaders. Pray that you would be humbled and lead by “washing the feet of others” and that your actions would lead the Lord to be glorified.
