

# Take Back Your Family || The Next Generation

## Group Notes

### INTRODUCTION

The greatest legacies belong to those who intentionally invested their time. God has called us to hand off the baton of faith to the next generation. This is both an art and a science. Let's run our race well and remember that it is a relay race.

### CONVERSATION STARTERS

1. What is something you have invested in that has paid off?
2. What influences helped shape your personality and make you who you are today?

### SERMON NOTES REVIEW

Looking back at your sermon notes from this weekend's teaching, was there anything said that caught your attention, challenged you, or confused you?
